

# Before You Paint

Painting or repainting of commercial or industrial buildings requires approval from the Community Services Department. Before you paint you must come into the Community Services Department and select your colors from the approved color palette. There are a variety of color selections available.

The Community Services Department office is located at 174 W. Church Avenue. Prior to approval, you will be required to indicate where colors will be applied.

Come take advantage of an opportunity to get involved with your business community. The area's newest Chamber of Commerce will be holding its inaugural celebration on **October 9, 2007 from 5:30-7:30 PM** in the Longwood Community Building at 175 West Warren Avenue. Food and beverages will be provided thanks to Magic Occasion Catering and Mona Lisa Ristorante.

At this introductory meeting you will have the chance to meet the new Board of Governors and see the vision for the Longwood Area Chamber.
